gress has prescribed the time, and the coppesition party, for the course we Legislatures of the several States appoint the place for casting the ballots. These have all concurred in appointing the place for casting the ballots, as to have made it and its bour Lewis's speech, were the absorbing administrator acceptable to all cleans. These have all concurred in appointing the State capitals for the place of meeting, and Congress has appointed the first Wednesday of December as the day. The order of voting, and of sending forward and counting the votes, as prescribed in the constitution and the laws of Congress and the laws of the states are as follows: The electors of the persecuted people of the states are as follows: The electors of the persecuted people of the states are as follows: The electors of the persecuted people of the states are as follows: The electors of the persecuted people of the states are as follows: The electors of the persecuted people of the states are as follows: The electors of the persecuted people of the persecuted people of the states are as follows: The electors of the persecuted people of the people of the persecuted people of the pers he disappointed the hopes and expectations of the persecuted people of the States, are as follows: The electors meet on the first Wednesday in December. If there should be any vacancies, ber. If there should be any vacancies, by non-attendance or otherwise, each State provides by law the mode of filling them. In all the States it is provided that the electors present shall proceed to choose, by ballot, persons to fill the vacancies, and a majority is required to elect. If a choice is not effected after three ballotings, the names of all persons voted for are to be placed in a ballothox, and the persons whose names are first drawn out are declared to be elecbox, and the persons whose names are first drawn out are declared to be electors to fill vacancies. When the Coltion and to inscribe his mame high upon the roll of patriotic and public benefictand proceed to vote for President and Vice-President of the United States. The vote must be by "by ballot." This is prescribed by the Constitution of the United States. They must vote separately, and in different ballots, for President and Vice-President. They must make distinct lists of all the persons voted for foreach office, and the number of votes cast for each; and these lists, signored by all the electors, and cerebal reference of his first administration in the property of his first administration in the property of his first administration in the property of his first administration and to inscribe his mame high upon the roll of patriotic and public benefactors. Will he appreciate that good for time which has favored him a second time so signally, and so administer his great office as to establish tranquility and prosperity, and inaugurate that era of time so signally, and so administer his great office as to establish tranquility and prosperity, and inaugurate that era of time so signally, and so administer his some thousand one hundred and twenty-four, with half of New Orleans and four other parishes to hear from, which will probably increase it.

Notwithstanding the Democrats elected to the United States are to the roll of patriotic and public benefic cankling will undoubtedly be re-elected to the United States. The Boston Journal avers that Roscoe Coakling will undoubtedly be re-elected to the United States are to each state state of the roll of patriotic and public benefic cankling uniform the United States. The Boston Journal avers that Roscoe Coakling will undoubtedly be re-elected to the United States. The United States are to cakling unifound the roll of patriotic and public benefic to the United States are to cakling unifound the roll of patriotic and public benefic to the United States. The United Stat first drawn out are declared to be electropair the errors of his first administraed by all the electors, and cer- second term be a repetition of his first, often in that State. tifled, must be sent to the President of the Senate of the United States, to be by him opened and counted, in the presence of the two Houses of Congress, and the re-

been made by the people, it is not necessary, in reference to this election, to repeat the order of proceedings, in case of a failure to elect by the colleges. The constitution has left to legislation to provide the other forms of proceeding as to the time within which the votes of the constitution of the colleges and a Whig?" In reply, the bolts. mode of remetying and mission, and the day for counting and declaring the votes. They are as follows: The electors make three lists of their votes, of the character described in the constitution. One of these is sent the constitution. One of these is sent the constitution. One of these is sent the constitution of the President that "blunder" which amounts to a "crime," not only against himself, but against his State. Advised of the president against his State. Advised of the president against his compact to the President that "blunder" which amounts to grant and Wilson, 42,812; Greeley and Brown, 50,807. Last year these counties that against his State. Advised of Harlan, 41,493. Grant and Wilson carry four districts have chosen Republicant of the Senate at Washington-another organization of blacks against whites, and those districts have chosen Republic by the regular course of mail to the same seeing results of the very state of facts, officer, and another is deposited with the now brought about here, which has long Judge of the District Court of the United desolated Arkansas and South Carolina, the first Wednesday of January, the achievements of those who misled the against Greeley. to be delivered to him on his arrival. cent counties of men whose very names The law requires that both houses of make public intelligence and industry Congress shall be in session on the sec. shudder. ond Wednesday in February succeeding every meeting of the electors, when An active crusade has been comthe certificates, "or so many of them as menced against the "wretched Mansard shall have been received, "shall be opened and the votes counted, and the persons who shall fill the offices of President

Toofs," to which the extent of the Boston to the pells. Andrew Johnson's example went far toward bringing about this state of affairs, and to him more than to any other man is to be attributed the and Vice-President ascertained and de-building the burnt district, and will tear mortifying defeat. clared. There is no provision anywhere down others already in place. New which requires a majority of the whole number of votes which the States are ture buildings, and the day of this handentitled to cast. It is provided that such some but dangerous piece of architecthen be counted; and that a majority of the "electors appointed"—that is, of There is no question of the beauty of the Buck those whose oredentials are received structures, or that they relieve the unien. This day was fixed by the act of 1792, for the commencement of the second Presidential term of General Washington, which begun in 1796. The first term commenced on the first Wedness term commenced on the first Wedness to make the destructiveness of configurations in Boston and Chicago is asseribed to Mandopling the fourth as the era for the beginning of a new administration and a new Congress, was probably guided by the circumstance that it completed by the circumstance that it completed be inflammable. exactly the four years from the Wednesday with which the government began. The electors in each State are paid by the State. The messengers are paid by by a name is absurd. We tried it in a the United States for the distance they fusion, with a portion of the Republican Houston, Texas.

"LET US HAVE PEACE." The APPEAL is not "intimating its the polls. Its vote is immensely behind Maryland. urpose to support Grant." Nothing of the vote of the Democratic party at the the sort can be found in these columns.

The Arreat has said, and repeats what it said that if the administration that it is a said that if the administration that it said, that if the administration, "by be approved by those who despise these good conduct and changes of policy," gives the country a "wise, magnanimous and impartial rule," "we shall not be so unjust as to withhold merited approbation." But we have never "intimated a purpose to support Grant" on mere wordy promises, without substantial deeds—the performance of acis essential to the prosperity and tranquillity of the country. Horace Greeley has been the life-long enemy of the South.

He more than any other man in Amer.

be approved by those who despise these attributes in government. He who has a proud, free spirit, prefers free, honest republican rulers, but a politician is a natural slave, naturally bending before the assumptions of despotism. A coward naturally clings to force, and would make a party's name, without any reference to its purposes or creed, a pretext for its abandonment. We detest the compty, absurd chatter about party names.

On Saturday, December 7, 18: good conduct and changes of policy,' He, more than any other man in America, engendered the sectional strife that THE Chicago Tribune is slightly misculminated in war. If the Southern taken. It may be true that Republipeople can forgive him and support him cane and Johnson-Democrats together for the Presidency, they can afford will constitute a majority in the Legisto yield "merited approbation" to Genlature of Tennessee; but it does not foleral Grant, when "by good conduct and low that these Democrats who supported changes of policy" his administration is characterized by a "wise, magnanimous action with the adherents of Brownlow characterized by a "wise, magnanimous action with the adherents of Brownlow and impartial rule." We have earnestly and Grant. The State will not, as is expressed the hope that General Grant mow assumed, be redistricted in the inmover and impartial rule. The state will not be redistricted in the inmover and in the in out of the mire of partisanship, stay the were not Radicals.
